

COMMITTEES & GROUPS — CONTACT INFORMATION

The general email address associated with each committee will route messages to each of that committee’s members, including the chair. Be wary that some computers *may* perceive these group messages as spam. The year an individual joined the committee (if known) is noted as is the year of inception of the committee.

It will be a challenge to keep this list up-to-date. Please forward changes to Jenny at bcapaadmin@shaw.ca
